COMMUNITY OPEN HOUSE
SET FOR MARCH 30

LINCOLFT - The New Jersey Coastal Communiversity will hold its spring Open House from 4:30 to 6:30 p.m. Monday, March 30 at the Brookdale Community College Warner Student Life Center, 765 Newman Springs Road, Lincroft.

Prospective students will be able to speak with Communiversity representatives about local access to bachelor’s and master’s degree programs in business, education, public safety, information technology, liberal arts and health sciences.

The NJ Coastal Communiversity, led by Brookdale, is a four-member alliance of New Jersey colleges and universities offering selected associate, bachelor’s and master’s degrees and graduate certificates in Monmouth County.

The partnership allows students to complete an associate degree at Brookdale and transfer seamlessly into a bachelor’s degree program offered at one of the Brookdale campuses. The partner colleges offer the third and fourth year of the bachelor’s degree and the degree is granted by the partner college. Students who already have a bachelor’s degree can enroll in one of the graduate programs offered through the Communiversity.

Programs are located at Brookdale’s Wall campus in Southern Monmouth County and Brookdale’s Freehold campus in Western Monmouth County, as well as through distance education. Partners are Brookdale Community College, Georgian Court University, New Jersey City University and Rutgers, The State University of New Jersey.

To RSVP to the open house or to find out more about the Communiversity, visit www.njcommuniversity.org or call 732-280-7090.
